Applications must be submitted using the enclosed form, acknowledging these Conditions of Participation. The completed application form bearing a legally binding signature should be mailed to:

Messe Düsseldorf GmbH
Dept.: U1-GP9
P.O. Box 101006
40001 Düsseldorf
Germany

No account shall be taken of conditions or provisos contained in applications. Requests for specific sites do not constitute a condition of participation. The application shall be binding irrespective of admission by Messe Düsseldorf.

Only upon receipt by Messe Düsseldorf shall the application be deemed to have been submitted; it shall be binding pending final admission or non-admission.

Particulars given shall be stored for automatic data processing and shall be made available to third parties upon implementation of the contract.

Applications shall be processed in the order received.

Any applications received after the registration deadline can only be considered if sufficient space is available. Any services offered by companies having exclusive rights in the fair grounds must be ordered through Messe Düsseldorf.

9

Admission

In principle, only those exhibitors are admitted whose product range is covered by the title and remit of the event. There is no legal right to admission. Messe Düsseldorf decides on the admission of exhibitors and exhibits. Any firm which has failed to meet its financial obligations as against Messe Düsseldorf (from previous fair participations and/or under the terms of these Conditions of Participation, Item 10) may be rejected.

Exhibitors will be informed of admission in writing and admission shall apply only to the exhibitor stated therein. Exhibitors will receive written confirmation surface mail or electronically that they have been admitted with their products.

Notification of admission, whether by surface mail or electronically, constitutes the conclusion of the contract between Messe Düsseldorf GmbH and the exhibitor. The electronic transmission has been made, as soon as the confirmation of admission has become accessible to the exhibitor.

The exhibitor must ensure that its inbox is checked at regular intervals and that the technical requirements for the receipt of e-mails are available. If the exhibitor's relevant e-mail address changes, then Messe Düsseldorf must be notified immediately.

If Messe Düsseldorf suffers loss or damage due to faulty or missing technical requirements and/or due to the exhibitor's failure to notify Messe Düsseldorf of a new email address, then the exhibitor shall be liable to Messe Düsseldorf for compensation.

The exhibitor will be given a floor plan showing the position of its stand. If appropriate, a site map of the exhibition centre or a hall plan will be sent via e-mail additionally.

Messe Düsseldorf reserves the right to cancel a stand booking approved on the basis of misleading or false information or if the requirements for participation are no longer met or the booking is no longer in accordance with the admission regulations.

Should Messe Düsseldorf be compelled to relocate or change individual stands, entrances, exits or aisles at a later point in time, this shall not give rise to any claims.

If through no fault on the part of Messe Düsseldorf the space allocated is no longer available, the exhibitor shall be entitled to a refund of the participation fee. No claims for damages may be submitted.

24 - 27 May 2023
Istanbul, Türkiye

Following admission by Messe Düsseldorf (conclusion of the contract), the obligation to pay the participation fee shall remain legally binding even if, for example, the authorities in the exhibiting country do not approve, in whole or in part, the exhibitor's import requirements, or if exhibits fail to arrive in time or to arrive at all (e.g. owing to loss, delays in transit or customs), or if the exhibitor or his agent is delayed or even unable to attend.

Should the exhibitor or his agent fail to take over the allocated stand area two days prior to the beginning of the event, such area may be otherwise disposed of.

This shall not release the exhibitor from his contractual obligations or entitle him to a demand refund or lodge any other claims.

10 Terms of Payment

10.1 Participation costs set forth in Item 7 shall become due upon approval of the admission. The exhibitor shall be billed for this account.

10.2 Bills for other, separately ordered services or deliveries shall be payable at the time of performance or on the date of the bill at the latest.

10.3 From 1 January 2006, a European Payments Council resolution requires all European banks to process all cross-border euro payments, received within the European Union and the European Economic Area (EEA), with mandatory BIC (Bank Identifier Code - colloquially known as the SWIFT code) and IBAN (International Bank Account Number) information. Remittances quoting the name of the event, customer's and bill numbers, are payable into any of the following accounts of Messe Düsseldorf, Düsseldorf:

The invoice for participation charges will be sent to the exhibitor together with, or subsequent to, the confirmation of admission and the allocation of space. If an exhibitor chooses electronic invoicing, then the invoice is sent to the email address specified by the exhibitor in electronic form (i.e. by email with a PDF attachment) and without encryption.

The invoice is considered to have been delivered to the exhibitor when the email has reached the exhibitor's domain (i.e. its email account with the internet provider). The exhibitor must ensure that its inbox is checked at regular intervals and that the technical requirements for the receipt of emails are available. If the exhibitor's relevant email address changes, then the trade fair operator must be notified immediately.

If the trade fair operator suffers loss or damage due to faulty or missing technical requirements and/or due to the exhibitor's failure to notify the trade fair operator of a new email address, then the exhibitor shall be liable to the trade fair company for compensation. All complaints must be submitted in writing immediately upon receipt of the invoice. Objections raised at a later date shall not be taken into consideration. Upon receipt of the invoice for participation charges issued by Messe Düsseldorf it is payable immediately without deduction.

Invoices for miscellaneous services or supplies ordered separately are payable with immediate effect, i.e. usually before the relevant show commences, but at the latest at the time the service is provided or the items supplied.

If the exhibitor gives instructions to render accounts to a third party, the exhibitor still remains the debtor. Remittances should be endorsed with the invoice number, marked the event and made payable to:

P.O. Box 10 10 06
40001 Düsseldorf
Germany

and paid into one of the following bank accounts:

10.4 For all outstanding liabilities Messe Düsseldorf may retain the stand equipment and products of the relevant exhibitor as security. Sec. 562a, sent. 2 of Germany's Civil Code (BGB) shall not apply. Messe Düsseldorf shall not be liable for damage to and/or loss of goods to which a lien attaches.

10.5 If invoices are sent to a third party on the exhibitor's instructions, the latter shall still remain debtor.

10.6 In case of default, interest shall be charged at a rate 8% above the current base rate according to Sec. 247 of Germany's Civil Code (BGB). Where payment dates are not met, Messe Düsseldorf shall be entitled to rescind the contract or otherwise dispose of the stand area. Item 11 of the Conditions of Participation shall apply.

10.7 Should the exhibitor request an amendment of its company name or of the address specified in the invoice obtained, Messe Düsseldorf may charge EUR 25,- for the reissuance and resubmission of the invoice, provided that the request for said amendment is not based on an erroneous entry in the invoice, which is due to a data transmission fault committed by Messe Düsseldorf, i.e. if the entries in the invoice differ from the specifications on the application form.

11 Withdrawal or Non-Participation

Applications can be withdrawn up until admission. A withdrawal fee (see Section 7 of the Conditions of Participation) plus sales tax is payable. Following admission, the exhibitor is no longer entitled to withdraw his application or reduce the exhibition space. Both the participation fee and any other costs actually incurred must be paid.

24 - 27 May 2023
Istanbul, Türkiye

Where the exhibitor fails to occupy the stand area allocated to him and where such area can be otherwise rented by Messe Düsseldorf (except by way of exchange), the exhibitor shall pay 40% of the participation fee as well as any other costs actually incurred. The exhibitor reserves the right to furnish evidence that the costs demanded of him are excessive.

Withdrawal by the exhibitor or any waiver of the allocated stand area shall only become effective upon receipt by Messe Düsseldorf of a written declaration to that effect.

Messe Düsseldorf is entitled to rescind the contract in the event of an application for insolvency proceedings in respect of the exhibitor's assets or where such an application is rejected on the grounds of insufficient assets. The exhibitor shall inform Messe Düsseldorf thereof at once.

12 Operation of exhibition stands

During the exhibition opening hours the stand must be manned by a sufficient number of staff and should be accessible to visitors. Exhibitors have no right of access to other stands outside the official opening hours, unless permission has been obtained from the stand exhibitors. Exhibition stands must be operated in accordance with the legal conditions and administrative guidelines.

13 Co-exhibitors and group stands

Without the prior consent of Messe Düsseldorf, exhibitors are not permitted to give their allotted stand either fully or in part to a third party, whether for payment or free of charge. Products or companies other than those specified on the admission slip cannot be advertised on the stand.

Permission to accept co-exhibitors will be given only upon application in writing by the exhibitor to Messe Düsseldorf. The co-exhibitor is liable to the same conditions as the main exhibitor. The co-exhibitor is required to pay the co-exhibitor fee to Messe Düsseldorf. The main exhibitor will, however, always be liable for the payment of the co-exhibitor's fee/Registration fee. If a co-exhibitor is admitted without the consent of Messe Düsseldorf, Messe Düsseldorf will have the right to cancel the contract with the main exhibitor without further notice and to clear the stand at the exhibitor's cost. The exhibitor waives the rights of unwarranted interference. The exhibitor will have no right to claim damages.

Co-exhibitors are all exhibitors who are represented on a stand with their own staff and own exhibits alongside the main exhibitor. Companies with close economic or organisational ties are also classified as co-exhibitors. Company representatives will not be admitted as co-exhibitors. Additionally represented companies are classified as those whose exhibits are shown by the exhibitor. Manufacturers of such equipment, machinery or other products which are necessary for the demonstration of an exhibitor's products are not regarded as co-exhibitors or as additionally represented companies. In accordance with the admissions regulations co-exhibitors can be entered into the catalogue with their full address provided all fees have been paid and the necessary documents have been received by the specified deadline. Messe Düsseldorf can authorise group stands provided they are in keeping with the overall pattern of the event. Exhibitors on group stands are subject to all regulations.

If a stand is allocated to two or more companies, each company will be jointly and severally liable to Messe Düsseldorf. Companies on a joint stand should nominate a common representative on the application form.

14 Exhibits

All exhibits must be listed individually on the application form giving an exact description. Any display of inflammable or pungent exhibits or exhibits whose demonstration entails noise requires the prior written consent of Messe Düsseldorf. Exhibits may not be removed during the course of the event. The operation and demonstration of exhibits is only admissible within the scope of legal requirements and accepted standards. Messe Düsseldorf is neither in charge of nor responsible for questions of legal requirements and licenses, quotas or transfers of sales proceeds.

15 Technical Guidelines

The Technical Guidelines are a constituent part of these Conditions of Participation and must be adhered to. The Technical Guidelines shall be handed over to the exhibitor at the latest with the order form for services.

16 Fair Insurance and Exclusion of Liability

Messe Düsseldorf has concluded a general exhibition insurance contract covering the usual insurable risks such as fire, burglary, theft, breakage, leakage and water damage, including the risks of transportation to and from the fairgrounds. On application each exhibitor can have his participation risk covered at his own expense under this general insurance contract. On request a corresponding form will be sent to the exhibitor under separate cover together with the service package offer. Exhibitors who do not avail themselves of the insurance cover offered by this general insurance contract or do not do so in time acknowledge in respect of the exhibition company that they waive all right to asserting any claims for damages which would have been covered, had they taken out the insurance protection offered. All damages incurred must be reported in writing to the police and to the insurance broker (also by telex or telefax). Incidences of fire, theft and burglary must be reported to the trade fair management and the police within 24 hours. Messe Düsseldorf is liable for financial losses and damage to property or assets only in the case of wilful intent or gross negligence. Messe Düsseldorf accepts no duty to exercise proper care with respect to exhibits and/or stand fittings. This exclusion is in no way limited by the security measures provided or decoration services undertaken in individual cases. The exhibitor is liable for all damages caused to third parties as a result of his exhibition participation, including damage to buildings on the fairgrounds and to the exhibition halls and/or their furniture and fittings, save where such damages are covered by a local third-party indemnity insurance.

17 Circulars

Once the stand areas have been allocated, the exhibitors receive circulars giving information on preparations for and the staging of the fair. Any consequences arising from disregarding these circulars shall be borne by the exhibitor.

24 - 27 May 2023
Istanbul, Türkiye

18 Reservations of rights in case of impairment of the show's runtime

Any rules and regulations of the host country or of the local contractual partner differing from these Conditions of Participation or imposing additional restrictions shall have precedence at all times. In the event of compelling reasons being on hand Messe Düsseldorf is not responsible for, Messe Düsseldorf is in closer accordance with the provisions stipulated below and under consideration of the exhibitors' interest in the staging of the show entitled to postpone, curtail, extend, temporarily close, or to partially or completely cancel the show.

Such a compelling reason may in particular be on hand in the case of a natural disaster, an epidemic, a pandemic, a war, a violent assembly, a strike, a lock-out, a terror attack or a terror warning (e.g. a bomb threat), a massive outage or severe disruption of traffic lines, supply lines, and / or the accessibility of news or authority-imposed bans or other types of authority-imposed restrictions – as far as such an event is evidently not only a short-term and temporary issue.

In case that an alteration of the show's runtime is required due to one of the exceptional events described above or due to an event similar to said events, the time span by which the event is postponed will under consideration of the interests of Messe Düsseldorf remain in a scope reasonable to bear for the exhibitor. In particular will be considered, whether a new runtime for the event is to be located within a thirty percent temporal deviation of the time interval the show usually is held in since the respective previous edition of the show. Also in the event of the curtailment, the extension, the temporary closure, the partial or complete cancellation of the show required due to one of the exceptional events described above or due to an event similar to said events, these measures will under consideration of the interests of Messe Düsseldorf remain in a scope reasonable to bear for the exhibitor. In the events set out above the exhibitor is not entitled to a reduction of the participation fees.

The exhibitor's obligation to pay the participation fees will in case of any of the aforementioned compelling reasons only cease, if and as far as the show is cancelled. For the sake of an adequate risk allocation between Messe Düsseldorf and the exhibitor, the exhibitor will bear an appropriate share of the costs incurred by the rearrangements of the show.

This share corresponds to the amount that may be set out in the Special Conditions of Participation as to be paid in case of an application is withdrawn up until admission. This share in costs resembles a compensation for the value of the services provided by Messe Düsseldorf to the exhibitor.

In case of a hybrid event Messe Düsseldorf at its own discretion is free to exclusively stage the purely virtual / digital elements of the hybrid event. In this case the participation fees related to the on-site element of the show will be reimbursed. The exhibitor remains obliged to pay the compensation for value set out above, the media fee as it may be set out in the Special Conditions of Participation as well as the participation fees related to the purely virtual / digital element of the hybrid event.

19 Final Provisions

All agreements, individual approvals and special regulations require written confirmation by the trade fair company. Wherever admission documents contain the reference that they have been drawn up by Messe Düsseldorf GmbH by computer, even if they contain no signature, they are legally binding. If the exhibitor is already registered with Messe Düsseldorf for the relevant event and if he/she has his/her own signature, orders/offers are also valid if they are received by Messe Düsseldorf electronically using this procedure. All claims by exhibitors against Messe Düsseldorf – with the exception of liability with intent – must be made within 6 months. Claims made thereafter are invalid. The period of limitation starts at the end of the month in which the event finished. The place of performance and jurisdiction for all mutual obligations is Düsseldorf or, at the request of Messe Düsseldorf, the jurisdiction of the exhibitor's place of business.

This also applies to complaints arising from cheques or drafts. If the exhibitor loses the case, he/she bears the costs of the legal proceedings as well as the costs of any legal representation.

20 Salvatorian clause

In the event of any provision of this contract being or becoming wholly or partially ineffective, or should a loophole transpire in this contract, such circumstances shall not affect the validity of the remaining contract.

Instead of the ineffective provision and in order to close the loopholes, an appropriate provision shall apply, which in as far as legally possible, most closely approximates the objective which was, or would have been intended by the parties to the contract according to the sense and purpose of the contract, based on their consideration of the provision.

If the ineffectiveness of any provision is due to the extent of service or period (deadline or date), stated therein, it shall be replaced by the legally permitted scope which comes closest to the provision.

The law of the Federal Republic of Germany is applicable. The German text is binding.
